Subject: Dissemination of Information Workshop v.29

----- Advance Program -----

10/17 - 10/19

FRIDAY 17 SEPTEMBER

5:30 - Opening Reception

BK Speak 9/18 11:15 AM

6:30 - Welcome: J.T. Cain, F.Smits

7:00 - Dinner

"The Internet and Beyond for Engineering Information"

Keynote: Paul Evan Peters
Executive Director
Coalition for Networked
Information

SATURDAY 18 SEPTEMBER

8:30 - 8:35 - Welcome: Phyllis Hall
Staff Executive, Publications

8:35 - 9:30 - Setting the Stage

"Hot Potatoes and Cold Facts about
Electronic Publication"

Speaker(s): Peter Graham
Associate University Librarian
Technical/Information Services
Rutgers University

9:30 - 10:15 - Experiments with Image Databases

Speakers(s):

- * Robert Badger, Springer-Verlag (Red Sage)
- * Guy Story, AT&T Bell Laboratories (RightPages)
- * Gary McCone, National Agricultural Library

10:15 - 10:30 - Break

10:30 - 11:15 - Planning for Electronic Publication

Speaker(s): "Johns Hopkins E-Journal of Medical Imaging"

- * David T. Kingsbury, Acting Director
Welch Lab for Applied Research
Principal Investigator, Human Genome Database
"Transforming ACM Publications for New Technologies"
- * Bernard Rous
Associate Director
Association for Computing Machinery (ACM)

"The American Mathematical Society's 'Division for Electronic Products and Services'"

- * David Rodgers
American Mathematical Society

11:15 - 12:00 - Full Text and Comprehensive Visions

Speaker(s):

- * Brewster Kahle
President, WAIS
- * John Kunze
Lead Programmer
InfoCal Project, UC Berkeley
- *** TBA
Microelectronics and Computer Technology Corporation (MCC)

Interrogator for the Morning Sessions...

- * Lloyd A. "Pete" Morley
University of Alabama

12:00 - 2:00 - Lunch

Luncheon Speaker

"Challenges and Potential Values of Networked Information for Professional Societies in General, and for Engineering Disciplines in Particular."

- * Clifford Lynch
Director, Library Automation
University of California
Office of the President

2:00 - 3:00 - A Survey of Contemporary Electronic Publishing Efforts

Example(s): Monticello Electronic Library
NASA's Digital Library Foundation
The Royal Society
C.O.R.E.

Speaker(s):

- * Michael Lesk
Director of Research
Bellcore

3:00 - 3:45 - The Future of Networked Information Systems (Panel)

Speaker(s):

- * John Garrett
Corporation for National
Research Initiatives
- * Michael Jensen
Electronic Media Manager
University of Nebraska Press
"The Engineering Library of the Future"
- * Randall Frank
Information and Technology
University of Michigan

3:45 - 4:00 - Break

4:00 - 5:00 - CD-ROM - A Distribution Mechanism...& more (Panel)

Speaker(s):

- * Peter Goldie
President, Lightbinders
- Marty Kesselman
Training Librarian, Rutgers
- *** Julia Gelfand
Science Librarian
University of California / Irvine
- *** Janice Fleming
Director of Publications
Optical Society of America
- *** Jerry McFaul
U.S. Geological Society

5:00 - 5:30 - Town Hall

- Interrogator for the Afternoon Sessions
- * Friedolf Smits, IEEE

6:00 - 7:00 - Reception

7:00 - Dinner

- "Short term activities and long term trends in electronic information."
- * William Arms
Vice President for Computing Services
Carnegie Mellon University

SUNDAY 19 SEPTEMBER

8:30 - 8:35 - Welcome:

- * Czeslaw Jan Grycz
Workshop Organizer, Consultant
University of California
Office of the President

8:30 - 9:15 - Setting the Stage (Panel)

- "Understanding Engineers' Readiness and Needs in Electronic Communication"
- * Ann Bishop
University of Illinois at Urbana-Champaign
"Pedagogical and Distance Learning Implications for New Technology"
- * Robert Oakman
University of South Carolina
- * Allen Marwick
IBM T.J. Watson Research Laboratory

9:15 - 10:00 - Value Added Commercial Vendors (Panel)

- "Print, Microfilm, and Electronic Products: Filling the Niches of Customer's Requirements"
- * Wendy Beecham
Product Manager
University Microfilms
- *** "Title"
- * Hank Weiner
Senior Vice President
New Product & Editorial Development

ISI

10:00 - 10:30 - Break

10:30 - 12:00 - Primary Case Studies Discussion

- Delegates will be broken down into small discussion groups, each of whom will be assigned to discuss and analyze one of several hypothetical case studies. Each group is to make recommendations on appropriate ways of handling the situation and is to prepare a formal report.

12:00 - 1:00 - Luncheon

1:00 - 2:30 - Secondary Case Studies Discussion

- The same set of case studies will be given to different groups with the expectation that their findings will augment the reports given by the Primary Case study groups.

2:30 - 2:45 - Break

2:45 - 4:45 - Reports and Recommendations. Groups will report back to the wider assemblage, followed by Q&A, discussion, and recommendations.

5:00 - Adjournment
(for non-IEEE report drafting group members)

MONDAY 20 SEPTEMBER

8:00 - 1:00 - Report Drafting Group

Review Recommendations
Action Plan
Review Project Proposals
Prepare IEEE Report
